

## Welcome, Newcomer, to Biblical Mennonite Alliance!

Whether you are a newly ordained or licensed minister or deacon, a minister or congregation recently transferred to membership in BMA, or a contact person for your congregation, we are happy to welcome you and trust your spiritual life will be enhanced by your contacts with persons in the broader Alliance. This brochure provides information to orient you to the leaders and organization within BMA. Hopefully you will quickly feel at home in the Alliance and will find us to be a growing circle of good friends in the Lord.

A most significant connection for you to the rest of BMA is **your overseer**. You are encouraged to contact him freely regarding any questions or situations that arise in the congregation. The overseer serves as a “pastor” to all ministers and deacons within your region, providing shepherding support and counsel as needed. The ministers and deacons of each congregation in your region meet quarterly under the leadership of your overseer for fellowship, prayer, and accountability. Bob Webb serves as chairman of the Council of Overseers in BMA. [webbbob51@gmail.com].

The **Moderator of BMA** is J. Mark Horst, who serves as chairman of the Board of Executors, the administrative arm of BMA. He and the assistant moderator preside at the two

annual meetings of the Alliance, Convention and Ministers Enrichment. You may contact J. Mark at (717) 377-7632 or at [moderator@mailbma.com](mailto:moderator@mailbma.com).

The **BMA treasurer** is Todd Webb. He and his bookkeeper handle all BMA income and disbursements, whether for general expenses, support of mission workers and programs, Bible institute funds, or any other Alliance funds. Checks can be mailed to BMA Office, P.O. Box 218, Elnora, IN 47529 and should be designated for their intended purpose. Monthly and annual financial reports are prepared by the BMA treasurer.

The **BMA administrative secretary** is John Ivan Byler. He cares for the organizational and operational details of the Alliance, takes care of general correspondence and communications from the BMA office to the ministerial body, and assists in planning and arranging the various schedules, board meetings, and the programs for the annual meetings. He can be contacted by phone 540-820-4194 or by email at [adminsec@mailbma.com](mailto:adminsec@mailbma.com). From time to time he sends messages from BMA for all ministers or churches by email (or by phone) to each licensed and ordained leader and congregational contact persons.

## ANNUAL MEETINGS OF BMA

The **Annual Convention** is held the fourth full weekend of July for the entire membership of BMA. The **Ministers Enrichment** in late January is a weekend designed for spiritual input for all BMA pastors and church leaders, but is open to any other interested persons as well. At each of these events a semi-annual business meeting for all ministers deals with organizational, financial, and business matters of the Alliance as well as spiritual issues pertinent to our witness as faithful congregations.

## BMA MISSIONS

**DestiNATIONS International** (DNI) is the mission agency of BMA. Mission workers are supported by tax-deductible contributions sent to the BMA office by individuals and congregations designated for specific workers. For information about missions involvement and opportunities, contact **Henry Blank, president of DNI** at 347.854.9720 or [destinationsint@gmail.com](mailto:destinationsint@gmail.com).

DNI provides information and updates of the mission workers and programs through several publications. The ***DestiNATIONS Near and Far*** is a quarterly publication with various articles on missions, the ***DestiNATIONS Informers*** is a monthly publication featuring our workers and places of interest within DNI, and the ***DNI Intercessor's Bulletin*** features monthly prayer updates of the workers and

administration in DNI. If you are interested in receiving any of the publications on a regular basis, contact the DNI Publications Editor at [dnipublication@gmail.com](mailto:dnipublication@gmail.com) or 865-778-1666.

**SEAMS**, “Sharing Encouragement and Meaningful Service,” is a support program that pairs missionaries with BMA congregations for developing relationships and sharing support. A committee of several ministers' wives collects information and needs from the missionaries each year and shares it with a congregation who volunteers to “adopt” the worker or family for one year. Your congregation may be invited to “adopt” a DNI worker or family and to bless them throughout the year.
